

MESHA'S VILLAGE

October 2024 | Issue 38

Tanzania Trip Recap

We had an amazing trip with so many highlights. Mesha's Village reached 60 kids sponsored! We also had our first kids graduate from Haradali Primary School. At graduation, Haradali recognized Mesha's Village with an appreciation award (pictured to the left), commending the team for our impact in the Arusha community.

Sponsor & Team Member Experiences:

We were fortunate to have a number of sponsors join us in Tanzania this year. Below are a few of their favorite memories and takeaways from the trip!

"It was so special to get to meet all of our MV students in person in Tanzania this year! My favorite part was seeing the kids faces light up when opening their backpacks and seeing how joyful and generous their families were. It was also great to hear all of the positive feedback about Mesha's Village from the local community. Proud to be a part of this organization."

- Miranda Lachman

"This was my first time going to Tanzania and seeing the work my sisters do was truly special. Mesha's Village is changing the lives of so many kids, and I am grateful to be apart of something bigger. Meeting Nurida, the 4 year old I sponsor was a moment I will never forget!"

- Ashton Potter

"It was pure joy meeting the children, the second we stepped out of the van the first time at the school. To be greeted with so many beautiful smiles, hugs and sparkling eyes was the absolute best welcome I have ever or will ever have."

- Leticia Lopez

Above this, there are two green icons: one with a house and the text "MESHA'S VILLAGE" and another with a house and a pickaxe. Below the main title, there's a vertical line separating the date "3 NOVEMBER" on the left from the time and location on the right. The time is "Sunday 11:00am - 2:00pm" and the location is "Bouldin Acres 1806 W Braker Ln, Austin, TX". At the bottom left, there's a ticket icon and the price "\$25". Swahili Sayings

"Malenge" means
"Pumpkin"

In conversing with the children and our local friends, we have learned a bit about Swahili, the native language in Tanzania. As an organization rooted in education, we want to share some of what we have learned with you.
