MESHA'S VILLAGE 🏠

Golf Tournament Recap

Thank you to everyone who supported our first annual Mesha's Village Golf Tournament! We had a fantastic turn out with 70+ golfers at the event, in addition to incredible support from party participants, raffle ticket buyers, and businesses purchasing hole sponsorships and/or donating raffle items. Collectively, we raised over **\$20,000** - our largest fundraiser to date! Your enthusiasm was matched only by your generosity and commitment to helping us continue to put kids in school, and for that we can't thank you enough.

A special shoutout to our tournament winners: Stephen Banker, Jim Beatty, Jayson Barrios, and Jeff McCullough.

It was an amazing day, and we are already looking forward to next year!

Sponsor Spotlight

WE ARE SO GRATEFUL FOR OUR SPONSORS AND WOULD LOVE TO SHARE ABOUT SOME OF THEM. MEET CHRIS KING

- 1. Tell us a little about yourself:** Originally from Ohio, I moved down here almost 13 years ago to work in Corporate Finance at Dell. For the better part of a decade I have been selling real estate here in the Austin area which has been quite the adventure! In my free time I love to travel, spend time with friends, train for triathlons, and enjoy outdoor activities such as pickleball, hiking, watersports on the lake and taking long walks with my rescue pup, Chip.
- 2. How did you hear about Mesha's Village and what made you want to sponsor through us?:** I met Jordan and the Potter family through my first job here in Austin. We all became fast friends and it gave me a front row seat to see all of the great work that was being done through the organization from its inception up until now.
- 3. What made you decide to become a sponsor after being a supporter for many years?:** I've always wanted to be a sponsor, and when the opportunity came up to sponsor a pair of twins, it felt serendipitous as I am a twin as well! Ashton Potter sponsored her sister and it just felt right. It's so wonderful to be a part of an organization where you are able to see the direct impact of your giving in these young lives.
- 4. What excites you most about sponsoring a child in need?:** The ability to help change the course of their life for the better at such a young age. I hope to be able to help even more as the organization continues to grow!
- 5. Anything else you want to mention?:** If you are curious about the organization, or interested in sponsorship I would highly recommend it! Mesha's Village is changing lives for the better with over 50 children sponsored, all built from grassroots efforts by a wonderful community of people.

Swahili Sayings

In conversing with the children and our local friends, we have learned a bit about Swahili, the native language in Tanzania. As an organization rooted in education, we want to share some of what we have learned with you.

"MAUA" MEANS "FLOWERS"
